Dear Parent/Carer

Thank you for attending the Paris 2018 information evening, apologies for the delay of getting the slides to you. This was beyond my control.

Please find enclosed the planned itinerary for the trip and a few extra points that have been raised as questions since the meeting.

1. Students are able to bring electronics such as hair dryers and straightener, but remember the plugs will need a two-pin adapter.
2. Any additional toiletries that you may need must be brought with you. (For health and safety we are not allowed to provide these, and aerosols are not to be used in confined areas.).

Should you have any further questions please do not hesitate to contact me in the Academy.

Yours faithfully

Miss R. Sullivan
