

29 March 2021

Dear Parents and Carers

I am writing to inform you all of my decision to retire at the end of the Summer Term 2021. The Academy Council has already been informed as have the staff.

I feel very lucky to have worked with the students and parents/carers of Outwood Academy Brumby. I have thoroughly enjoyed my time here – your children are a credit to you. This has been even clearer over the last year when they have demonstrated remarkable resilience and determination in very challenging circumstances.

I am pleased to inform you that, Mr Darren Smith, currently Principal of Outwood Academy Foxhills, has been appointed Lead Principal across both Outwood Academy Brumby and Outwood Academy Foxhills. You may already be aware that Mr Smith is an experienced and successful Principal and will work tirelessly to ensure the best outcomes for your children. We will work closely together next term to ensure as seamless a transition as possible.

Although I will not be leaving until July I would like to thank you all for the support you have shown me and the Academy over the last 3 years.

Yours sincerely

Angela Hull
Principal
