Dear Parents/Carers

I am writing to confirm that this year the Prom will not be going ahead.

Unfortunately, this should have been communicated to students and parents formally by letter in the time prior to the national lockdown; I am now aware that this did not happen and for this I must apologise.

The decision for this was based on the restrictions based on gatherings and the lack of a known time frame when these would be lifted. Although this is referred to in the school risk assessment previously communicated, I appreciate that this is a very in depth document.

I understand that this must be extremely disappointing and can only apologise again for this administrative error.

At the moment, we do not have a leaving date for our year 11. As soon as this is known we will communicate with you. Please be assured that we are looking at ways in which we can ensure the students have as memorable a leaver's experience as possible in the current circumstances.

Yours sincerely

Angela Hull
Principal
